

Wye Marsh Presents 

JOHN DAVIDSON

NATURE PHOTOGRAPHY & HDR TECHNIQUES

Spend the afternoon learning the subtleties of nature photography and the exciting new technique of High Dynamic Range from a leading Canadian photographer. John's approach to photography and teaching is accessible to the beginner and sufficiently informative for an advanced photographer. Bring your camera. Bring your imagination. Bring your computer if you want to receive the full benefit of this exciting workshop.

Saturday, August 1, 2009 1:00pm - 5:00pm
\$35.00 per person with full admission to Wye Marsh
